

# *Doughboy Recessed Pools*

Doughboy introduces the only above-ground pool you can actually put in your backyard. From traditional above-ground pools to fully recessed pools, Doughboy offers a wide variety that is sure to fit your style.

# Doughboy Recessed Pools

## In-ground

If your ideal backyard includes an in-ground pool, but your budget doesn't allow for it – Doughboy has the perfect solution. We manufacture the only above-ground pool that can be installed completely in the ground – giving you that in-ground look for thousands less. Go from green grass to blue water in only 4 days.

## Features and Benefits

- Expandable to 7 feet deep
- Faster Installation
- Half the cost of a traditional in-ground
- Lifetime warranties

\*Decking material may cover or be flush to the top rail of the pool as long as the top rail itself remains at least 6" above the soil. See your local dealer for details.
